

MIRKA

NOW AVAILABLE IN
GRIP & PSA

Iridium. Move up a gear.

Introducing Mirka® Iridium, produced with cutting edge technology and perfected for speed and efficiency. From coarse to fine grits, Iridium cuts faster with fewer steps on both soft and hard surfaces. Thanks to the new precision coating, the abrasive does not wear out easily. It practically repels dust, so the grains stay sharp longer. Dust extraction is efficient and convenient with Mirka's new multi-hole pattern. Just place and go.

Get to the finish line faster – move up a gear.

APPLICATIONS:

Automotive Refinishing • Wood Finishing • Composites Finishing • Vehicle Manufacturing

FEATURES:

- Fast sanding and consistent scratch pattern saves you time and money
- Consistent quality and non-stick coating repels dust and provides a long disc life
- Effective multi-hole pattern delivers outstanding performance without clogging
- Premium paper backing offers remarkable flexibility and grain adhesion
