

# 3" x 4" Compact Sanding

Tools / Abrasives / Sponges / Accessories

Mirka's 3" x 4" product line makes smooth work of tight spaces. Pair power tools with premium Mirka abrasives and professional dust extractors and accessories for a truly effortless working solution.

Compact power sanders include the electric DEOS and the tried-and-true pneumatic tools. Add in a variety of paper and film abrasives plus sponges with grip tool attachment to upgrade performance and results anywhere hand sanding may have previously been needed.

## KEY FEATURES:

- Small, lightweight tool adds power where you may normally sand by hand
- Ergonomic, compact size is perfect for sanding window and door frames and trim
- Abrasives fit new electric DEOS + MR-34 and MR-34DB pneumatic tools
- Selection of abrasives to fit the job, budget, and preference
- Sponges of varying density for profiles, edges, and small corrections
- Improves health and profitability when part of a Dust-Free system

## APPLICATIONS:

-  **Automotive Refinishing**
-  **Woodworking**
-  **Construction & Decoration**
-  **Composite Processing**
-  **Marine Industry**

# 3" x 4" Compact Sanding

## Abrasives

## Sponges

Mirka's 3" x 4" sponges are versatile abrasives to use with power tools or by hand for detail sanding.

Choose High Density for firmer foam and Low Density for softer foam.
