

Abranet[®]

The original net abrasive

Abranet, the world's first net sanding abrasive, contains thousands of holes to effectively vacuum away dust particles without clogging.

Abranet combines high performance and a longer lifespan than traditional abrasives, making it a cost-effective solution that delivers cleaner work environments and a better surface finish.

KEY FEATURES:

- Net abrasives are a key component for dust-free sanding
- Removal of dust particles eliminates loading and piling problems
- Woven mesh backing works with hook and loop attachment
- Designed for dry sanding by machine or by hand
- Available in discs, sheets, and rolls

APPLICATIONS:

-  **Automotive Refinishing**
-  **Woodworking**
-  **Construction & Decoration**
-  **Composite Processing**
-  **Marine Industry**
