

MIRKA

Mirka® PROS Sander Family

Mirka® PROS

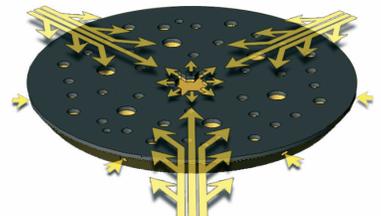

Pneumatic Power. High Performance.

Features and Benefits for ALL PROS Sanders

- ✓ MIRKA® PROS features optimized ergonomics that make it user-friendly and comfortable to grip for long operating periods.
- ✓ MIRKA® PROS are available in 5" & 6" sizes with speeds up to 12,000 RPM
- ✓ The cover solution locks the lever in off position when the cover is lifted up. The cover is lifted for access to the air supply connection, or to be used as a safety lock.
- ✓ The design incorporates an integrated cover solution which protects the operator's wrist from the muffler outlet air stream. The cover also allows for comfortable two-handed use.
- ✓ MIRKA® PROS is constructed from high quality composite materials that deliver long term durability, while keeping the weight of the tool at a minimum.

Mirka® PROS CV/SGV Additional Features and Benefits:

- ✓ MIRKA® PROS dust-free sanding tools feature a multi-hole grip faced pad
- ✓ Thanks to the shroud system with brake seal that gives minimal internal suction leakage the MIRKA® PROS has optimal dust extraction, even at low suction power.
- ✓ MIRKA® PROS features fresh air channels leading to the center of the backing pad contributing to a increased air flow and therefore the dust is removed efficiently from the center.

Backup Pads

105B
5" Medium, PSA
Non-vacuum
Backup Pad
5/16 - 24 thread

915GV48*
5" Medium, 48-Hole
Vacuum Backup Pad
5/16 - 24 thread

106B
6" Medium, PSA
Non-vacuum
Backup Pad
5/16 - 24 thread

916GV48*
6" Medium, 48-Hole
Vacuum Backup Pad
5/16 - 24 thread

Mirka® PROS NV (non-vacuum)

Part Number	Dia.	Orbit	Weight	Noise	Vib m/s ²
MRP-525NV	5"	2.5 mm	2 lbs	74 dB	2.4
MRP-550NV	5"	5 mm	2 lbs	74 dB	2.4
MRP-580NV	5"	8 mm	2 lbs	74 dB	3.8
MRP-650NV	6"	5 mm	2 lbs	75 dB	3.2
MRP-680NV	6"	8 mm	2.4 lbs	82 dB	3.5

Mirka® PROS SGV (self-generated vacuum)

Part Number	Dia.	Orbit	Weight	Noise	Vib m/s ²
MRP-550SGV	5"	5 mm	1.8 lbs	81 dB	2.8
MRP-650SGV	6"	5 mm	2 lbs	78 dB	3.0

Equipped with a new type of fleece dust bag with a larger dust collecting capacity and a longer life time compared other similar products on the market. This fleece dust bag does not require a safety nylon bag for protection.

Mirka® PROS CV (central vacuum)

Part Number	Dia.	Orbit	Weight	Noise	Vib m/s ²
MRP-550CV	5"	5 mm	2 lbs	74 dB	2.4
MRP-650CV	6"	5 mm	2 lbs	75 dB	3.2
MRP-680CV	6"	8 mm	2.4 lbs	82 dB	3.5

Vacuum Accessories

MV-912
Dust Extractor

MV-412HA (15')
MV-HA33 (33')
1-1/2" x 15' (or 33')
Coaxial vacuum hose + 1-1/4" adapter
(MV-412HA-ADAP)

MV-912PB
Pneumatic control box
Auto ON/OFF

MRP-SGVB
PROS SGV Series
Fleece Dustbag
(3 Pack / 8.5" x 12.5")
