---

## 5. Fire-fighting measures

5.1 Special hazards:	classified as non-flammable, but combustible.
5.2 Protective equipment:	complete protective gear, self-contained respirator (breathing apparatus).
5.3 Suitable extinguishing media:	water spray, foam, powder, carbon dioxide (CO <sub>2</sub> ), sand
5.4 Unsuitable extinguishing media:	waterjet
5.5 Hazardous combustion products:	smoke, fumes, products of incomplete combustion, carbon oxides, hydrogen chloride, also other toxic gases can develop

---

## 6. Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures:	No special measures required.
6.2 Environmental precautions:	No special measures required.

---

## 7. Hantering och lagring

7.1 Handling:	No special measures required.
7.2 Storage:	Store in a cool dry place without direct sun irradiations. Keep away from sources of ignition.

---

## 8. Exposure control / Personal protection

Technical measures for exposure controls:	Not required.
Personal Protection:	Not required.
Eye Protection:	Not required.
Skin Protection:	Not required.
Respiratory Protection:	Not.
Other Protection:	No other protection is necessary

---

## 9. Physical and chemical properties

Appearance:	Solid
Flammable properties:	Not Flammable
Boiling point:	Not available.
Solubility (Water):	Insoluble
Explosion hazard:	Not available.

---

---

**10. Stability and reactivity**

Condition to avoid:	Do not close to fire.
Material to avoid:	Avoid strong acid & strong alkalis.
Hazardous decomposition product:	Noxious fumes during thermal decomposition.

---

**11. Toxicological information**

Acute toxicity:	None
Sensitization:	Not detected
Subacute, subchronic toxicity:	Not detected
Other information on health effects:	No toxic reaction known

---

**12. Ecological information**

None

---

**13. Disposal consideration**

Can be recycled.

---

**14. Transportation information**

Not classified as a Substance hazardous for transport.

---

**15. Regulatory information**

Regulatory Information will regard this substance in your country or in your region should be examined by your own responsibility.

---

**16. Other information**

None
