

Registration and Visitor Card

Mirka's reception is located in the main entrance. Please register at the reception desk upon arrival. Fasten your visitor card to a visible place and return it to the reception on departure.

Please ensure your safety by following the guidelines and instructions given by your host.

- Please leave any photographing devices (including mobile phones) in a safety box located at the reception. Photographing is not allowed inside the factory.

- Mirka has adopted a smoke free policy as of 1.1.2013. Mirka is smoke free because we care. A smoke free environment helps create a safer and healthier workplace. Smoking is prohibited in any places, both indoors and outdoors, inside the gate and nearby the factory area.

Please ask your host or the reception if you want to use a nicotine replacement product during your stay.

- It is not allowed to bring alcohol or drugs to the factory area or to enter the area while intoxicated.

- All visitors have to wear safety shoes, when entering the production facilities. Safety shoes are available, if you don't bring your own.

- There is a lot of traffic in the production facilities. Beware of the moving vehicles.

- In case of fire or any emergency situation, please follow the instructions given or find the shortest safe way out. Escape routes are indicated by signs. Go to the meeting point in the middle of the parking area and wait there for further information.

- If required, there are fire extinguishers available throughout the whole facility.

Enjoy your stay at Mirka!
